MEMBERSHIP INFORMATION AND APPLICATION

ABOUT THE CLUB

The Mitsubishi 4WD Owners Club of Qld was established in 1986. Our Club offers an opportunity for people with 4WD vehicles to be involved in recreational activities as a group. Trips are conducted by the Club, at times, into relatively inaccessible places. Members can participate in activities such as camping, bushwalking, sight-seeing, fishing or photography. There are many family groups within our club and our activities are designed to cater for all tastes, abilities, and age groups.

This is a particularly friendly Club, and long-term members are always willing to help new members with their experience and expertise. There are many family groups within our club and our activities are designed to cater for all tastes, abilities, and age groups.

Activities are organised by Club members and co-ordinated by the Club Committee. Our Club is affiliated with Four Wheel Drive Queensland and through them with the federal body. The Club is linked strongly with Mitsubishi Motors Australia Ltd, which also supports our sister Mitsubishi clubs in other states.

ABOUT JOINING

Advantages:

Membership will give you the opportunity to develop new skills and to learn more about your vehicle. Travelling with the Club will allow you to undertake trips which you may not be confident of undertaking alone. The Club organises a range of activities for its members including:

- ▲ Driver skills education, for novices and for more experienced drivers.
- ▲ Regular trips in South-East Queensland and further afield (day trips, weekend trips, and extended trips).
- ▲ Social functions.
- ▲ Club meetings that regularly feature talks presented by experts in a wide range of fields.

A range of benefits have been negotiated with several local firms in the automotive, accessory/equipment and other related industries. The Club has its own website and also produces a monthly e-magazine which can be accessed from our club forum.

Obligations:

As a member, you will be expected to behave at all times while in the public eye to reflect credit on the club, and abide by the Club Rules and Bylaws, the Duty of Care statement and the Code of Ethics.

Membership implies an understanding that your photographic image may, from time-to-time, be depicted in the club magazine or web site, in association with club trips and events, or any special role in which you may choose to be involved. We all think this is a good thing, however if you do not wish this to occur, you will need to make it known to the organisers at the time.

HOW TO JOIN

Membership is open to owners of Mitsubishi 4WD vehicles, and other makes of vehicles. Membership of non-Mitsubishi owners is limited to 45% of the total Club membership. The annual membership fee is \$80 and there is a joining fee of \$70 for singles or \$75 for couples which includes the cost of name badge/s. Reductions are available for new members joining mid-year (our membership year runs from July to June).
